

Huskies beat weather, Kewaskum

The weather was more like early spring than it was late summer but the New Holstein boys soccer team was able to overcome the elements and Kewaskum to post a 3-0 EWC win last week Tuesday night at NHHS.

The Huskies scored two unassisted goals in the first half, the last coming in the closing seconds before halftime, using the strong northwest wind to its advantage.

"We played very determined to win — and aggressive," said New Holstein coach Nate Laabs.

"Ambrose Lisowe did an excellent job of controlling the midfield, and our forwards created a lot of chances up front."

Dylan Schneider's goal at 27 minutes gave NH a 1-0 lead and Kain Roepke made it 2-0 with his unassisted tally. In the second half, Roepke used a Schneider assist at 76 minutes for the game's final score.

New Holstein outshot Kewaskum, 13-2, in shots on goal.
